## AREA LAKES PROFILES

**Lake Delavan** is one of Walworth counties best overall Fisheries at 1,774 Acres and a maximum depth of 52' is a managed trophy fishery. Considered one of Wisconsin's Premier fishing waters.

**Lake Geneva's** size (5,262 Acres), structure and forage base make it one of the premier fishing resources in the entire Midwest.

**The Madison's Chain of Lakes** at just over 17,000 acres offer some of the finest fishing in the state! Each lake has its own diverse population of fish species. Lake Mendota is outstanding with excellent Bass, Walleye, Pike and Panfish is outstanding year round.

**"Take a man fishing and he eats for a day,  
Teach a man how to fish and he eats for life"**
